

# CRAM-A-LOT®

J.V. Manufacturing, Inc.   
Solid Waste & Recycling Equipment

**CRAM-A-LOT products can contribute  
to achieving LEED credits.**

**Use of Cram-A-Lot Balers and Compactors will help in your efforts of sustainable building and create 1-2 LEED points towards LEED certification.**

-  By reducing the number of loads, both for recycling and landfill diversion.
-  By reducing the storage container size and recycling area, the extra space can be used as green area to assist in attaining another point.
-  By making recycling easier, recycling plans & programs for multi-use facilities will be easier to write and more successful.

**“Equipping The World For A Better Environment”**
